Thank you. PRB has checked with ODNI, who clears it due to the new sourcing provided. PRB has no further objections to the edited chapters.

I'll be in the building Monday. Can I come by and chat. There are some (many) places in that one chapter where I think a country name can be mentioned.

Please see the attached 12-page letter for the Board's response. Since we normally correspond regarding short manuscripts, the Board wanted to ensure that you were aware of the standard review procedures and obligations for books. We follow a more formal procedure with books than we do with your short pieces; those details are included in the Board's standard response letter, which is attached. Please let us know if you have any questions on this process.
